ADDENDUM NO. 4

19 November 2026

This Addendum No.4 is issued to amend following items in accordance with the ITC 13.1 of the RFP Documents – (Section 2).

Part of the RFP Document	As per this Original RFP Document	As per this Addendum No. 4
Section 1 ITC 25 Correction of Errors	**Correction of Errors:** **25.1** Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal. The following shall be considered: **Lump Sum Contracts:** **b)** If a Lump Sum contract form is included in the RFP Document, the Consultant is deemed to have included all prices in the Financial Proposal, so neither arithmetical corrections nor price adjustments shall be made. The total price, inclusive of taxes understood as per ITC 26 below, specified in the Financial Proposal (Form FIN-1) shall be considered as the offered price	**Correction of Errors:** **25.1** Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal. The following shall be considered: **Lump Sum Contracts:** **b)** If a Lump Sum contract form is included in the RFP Document, the Employer's evaluation committee will (a) correct any computational or arithmetical errors, and (b) adjust the prices if they fail to reflect all inputs included for the respective activities or items in the Technical Proposal. In case of discrepancy between (i) a partial amount (subtotal) and the total amount, or (ii) between the amount derived by multiplication of unit price with quantity and the total price, or (iii) between words and figures, the former will prevail. In case of discrepancy between the Technical and Financial Proposals in indicating quantities of input, the Technical Proposal prevails and the Employer's evaluation committee shall correct the quantification indicated in the Financial Proposal so as to make it consistent with that indicated in the Technical Proposal, apply the relevant unit price included in the Financial Proposal to the corrected quantity, and correct the total Proposal cost.
