1	<p>Sample Bidders are required to provide sample for each book according to the technical spec listed in the bidding document.</p> <p>We have an issue for the Limpbound (perfect binding) type of binding especially with "Section Sewn"</p> <p>First of all, all samples will be printed individually in digital machine and its maximum size is in A3+. Mostly the book with Limpbound is the A4 size.</p> <p>Sample will only be glued without the sewing part due to the limited size for sewing technical process (which has to have more folding)</p> <p>Alternatively, we will enclose the previous work with the complete Limpbound (perfect binding) type.</p> <p>Please advise</p>	<p>The top rank selected bidder must submit the sample and take the approval from project owner with all required specifications prior to publish the books.</p>
2	<p>Refer to the Table 2 (Technical Specifications)- Table Item No. 7 (Books # 61 and 62)</p> <p>Specification (A5. Cover: Color, Art Paper 210 gram, color. Inside: Content: B/W, paper HVS 80gsm, Stitching.</p> <p>Please explain what kind of Lamination? Glossy or Matte? 1 side or 2 sides?</p>	<p>Matte lamination and two sides.</p>

<p>3</p>	<p>Refer to the Table 2 (Technical Specification) – Table Item No. 5 (Books # 15) Under Clarification #2 - 19 August 2019</p> <p>Item #15 - Immunization Card (not a book) It has 6 packages with total 100 pages What is the packing requirement? Is it still 60 sets/ box? Please advise</p>	<p>These items have 6 packages and the packing will be for each package in 60/box - 6x60books/box.</p>
<p>4</p>	<p>Refer to the Table 2 (Technical Specification) – Table Item No. 5 (Books # 15) Under Clarification #2 - 19 August 2019</p> <p>It is an immunization card package, which has 6 packages with total 100 pages. Each package, it is required to print in 2 sides and will put in plastics.</p> <p>6 package with total 100 pages and some package, including Package 1 - 13 pages Package 4 - 37 pages Package 5 - 9 pages Package 6 - 11 pages Those have odd pages number</p> <p>Question: Which one that is correct, the 13 pages or 13 sheets? Our understanding:</p> <p>13 pages - it will have total of 7 sheets of paper with 2 side of printing for 6 sheets and 1 side of printing for 1 sheet.</p> <p>13 sheets - it will have total of 13 sheets of paper with each has 2 side of printing.</p>	<p>Package 1, 4, 5 and 6 with the odd pages will add pages to make it even and leave it blank.</p>
